Ergonomic, omni-directional headworn microphone for speech transmission. The neckband design is particularly flexible and can be comfortably adapted to any head shape. The microphone boom can be attached to the left or right side. The KE 4 condenser capsule generates a warm, distortion-free sound and is resistant against humidity.

Thanks to its compact, robust design, the HSP Essential Omni is lightweight (25 g), inconspicuous and durable. The material used for its construction is allergy friendly and resistant to sweat and color abrasion. The HSP Essential Omni is available in black and beige.
